<p>“** NTA Scores of same subject but under different groups, like B. Arch and B Planning, may differ as number of candidates appeared in two groups may be different.</p>					

Dated : 08/03/2021

 Senior Director, NTA

NTA Scores are normalized scores across multi session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session.

1. NTA score is not the same as percentage of marks obtained.
2. The NTA Score indicates the percentage of candidates who have scored **EQUAL TO OR BELOW** (same or lower raw scores) a particular candidate in that session.
3. The NTA scores of a Candidate have been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$
4. The NTA Score of the Total is **NOT** an aggregate or average of the NTA Score of individual subject.
5. Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.
6. This electronically generated score card is the official result declared by NTA and does not require any signatures.
7. After the JEE MAIN MAY-2021 Exam, the ranks of the candidates will be released taking into consideration best of the four NTA Scores.
